

## HOLY SPIRIT LESSON ACTIVITIES

**WIND BANNER:** Give each child a thin piece of rectangular material. Magic markers can be used to write about the Bible lesson today, on that material and give children ribbon or yarn to hang the banner outside their house to blow in the wind!

**WIND SOCK:** Let children roll a large piece of construction paper into a tube shape and tape to hold that shape. Then have children pick 10 long pieces of various colors of cut construction paper (10"X2"). On each long piece of paper, children can write words that pertain to our Bible lesson today (such as Holy Spirit, Power, flaming tongues, Mighty rushing wind, Heaven, celebrate, etc. Then children can tape each of their strips of paper to the tube "windsock" and hang by a string at the top, when they get home.

**PAPER FAN:** Let children fold in accordion style (small folds back and forth, back and forth) a piece of construction paper after decorating the paper. Tape to a tongue depressor or craft stick to use as a fan while telling the story today!

**BUBBLE BLOWING:** Use blowing bubbles to show the kids about the power of the wind. Without wind/breathe, the bubbles would not happen.

**BALLOONS:** Blow up a balloon and let it go, watch it fly with power. Do it again and again...what fun!

*All of them were filled with the Holy Spirit and began to speak  
in other tongues as the Spirit enabled them.*
